**Venue:** Endeavour College of Natural Health  
368 Elizabeth Street, Melbourne 3000

**Registration:** [online](#) via AHA website, or contact Vera Externest on 07 4636 5081

## Use of bowel nosodes in practice

10th & 11th March, 2012

This workshop will enable participants to have a working knowledge of the application of the nosodes in a variety of conditions and age groups. Snehi brings a wealth of experience and her teaching is based on the use of bowel nosodes in her practice over many years.

The seminar will include:

- Historical background to the nosodes
- Bacteriological family and groups
- Information on importance of bowel bacteria and current trends
- Overview of related anatomy and physiology, and relevant disorders
- A range of cases demonstrating use of bowel nosodes in babies, children, teens/adults and elders
- Demonstration of method of selection, clinical reasoning, and posology, including links with the constitutional remedy where applicable.

### Snēhi Jarvis

RN, EM, ADHSc, Ba T, Ma LM, Cert III Aged Care, Cert III TAE.

Snehi is a well known homœopath and teacher, as well as a registered nurse and midwife. She is a course assessor for the Australian Register of Homœopaths, as well as a board member. Snehi has been in practice for 30 years, and currently lives in Noosa Heads, with her 2 dogs, and a revolving door of international students.
