## CLINICAL SKILLS UPDATE

**Sat 9<sup>th</sup> Feb 1-5pm & Sun 10<sup>th</sup> Feb 9am-5pm**

This year the theme will continue throughout the weekend, offering the opportunity for a refresher/ upskill of your clinical skills. This is a fantastic, cost-effective opportunity to gain 12 CPD points during a practical, interactive 1.5-day workshop, upgrading existing skills and maybe picking up some forgotten ones.

Our esteemed clinical skills teacher will be Monica Dunne, ably supported by Agimary Joseph. Both these homoeopaths have extensive experience in the clinical skills aspect of consultations and we are fortunate to have such experience amongst our Queensland Committee members. They are both prepared to donate their time to you, our members, to enable the lowest cost opportunity to gain the maximum in both skills and CPD points.
